

Microsemi Corporation**Product Discontinuance Notification: 2018-002**

Subject: Obsolescence of Various 2N2857/UB – Microsemi is announcing the discontinuance of select products that are currently being offered by Microsemi Discrete Product Group (DPG). The products affected by this PDN are being discontinued and will no longer be available from Microsemi.

Reason for Discontinuance: The reason for the obsolescence of these products is due to the fact that there is no die available (or that can be made available) to make the required electrical characteristics of the part (i.e. specific gain parameters)

Microsemi apologizes for any inconvenience this situation may cause our customers, but unfortunately the normal last time purchase & last time shipment periods can not be offered. Customers should contact their Microsemi sales representative as soon as possible to discuss how Microsemi may be able to support specific customer needs with the limited remaining product inventories. There will be no replacement part

Customer Impact: These devices are being removed from Microsemi's product offering and will no longer be available for order. Some PDN products are limited in availability due to material shortages.

Replacement Parts: N/A

Last Order Date: N/A

Last Shipment Date: N/A
