From the Desk of the CEO:

Due to the COVID-19 pandemic we are managing through an unprecedented situation. SemiDice, Inc. is committed to our customers and the continuity of their operations and want to reinforce our dedication and commitment to their continued success.

We have moved to implement regulations from governmental authorities; among them is moving employees to work from home and initiated adjustments to our internal operations to prevent the further spread of COVID-19. We are continually prioritizing our customers' needs and will support them during this crisis.

While we may see supply disruptions from our semiconductor partners, be assured we will be activity working to ensure deliveries while facing these disruptions to the best of our ability.

We are continuing to monitor evolving governmental regulations and are working with all parties to improve our supply delivery during these difficult times. We are committed to our employees, their families, our customers and semiconductor manufacturing partners.

We thank you for your continued support and look forward to many more years of progress together going forward.

Best regards,

Daniel Cormack
